

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with
phosphate before breakfast
washes out poisons.

To see the tinge of healthy bloom
on your face, to see your skin get
clearer and clearer, to wake up with-
out a headache, backache, consti-
pation or a nasty breath, in fact to
feel your best, day in and day out, just
try inside-bathing every morning for
one week.

Before breakfast each day, drink a
glass of real hot water with a teaspoon-
ful of limestone phosphate in it as a
harmless means of washing from the
stomach, liver, kidneys and bowels the
previous day's indigestible waste, ac-
cid, sour bile and toxins; thus cleansing,
sweetening and purifying the entire
alimentary canal before putting more
good into the stomach. The action of
hot water and limestone phosphate on
an empty stomach is wonderfully in-
vigorating. It cleans out all the sour
fermentations, gases and acidity and
gives one a splendid appetite for break-
fast.

A quarter pound of limestone phos-
phate will cost very little at the drug
store but is sufficient to demonstrate
that just as soap and hot water
cleanses, sweetens and freshens the
skin, so hot water and limestone phos-
phate act on the blood and internal or-
gans. Those who are subject to con-
stipation, bilious attacks, acid stomach,
rheumatic twinges, aching joints, pale
skin is sallow and complexion pallid,
are assured that one week of inside-
bathing will have them looking
and feeling better in every way.

FRANK T. PRESTON RETIRES.
Has Been in Jewelry Business For
Thirty-Five Years.

Frank T. Preston, one of the best
known of Eastern Connecticut's busi-
nessmen, has sold his store, 250 Main
in the Phoenix building to Henry A.
McEwen and Henry W. Chapin, who
have been associated with him as
clerks for a long term of years. Pos-
session is to be given to the new pro-
prietors in about ten days.

In retiring from the jewelry busi-
ness with which he has been iden-
tified in Danielson for 35 years, Mr.
Preston will relieve himself of the
constant care and attention that
successful management has required.
It will however, be a source of satis-
faction to the majority of the resi-
dents of Killingly to learn that he
will continue his duties as town
clerk, which he has filled with emi-
nent efficiency for more than 30 years.

In the near future the town's safes
for the keeping of the clerk's records
will be removed to quarters that are
to be prepared for them in the new
hall building, where Mr. Preston's of-
fice will thereafter be located.

Mr. Preston first engaged in the
watch repairing business here in the
store of Amasa Dowd. Afterwards
the business was removed to a store
that was then in the Attawarung
hotel block and later to the store now
occupied in the Shumway building
by Mrs. D. E. Jett.

Mr. Preston having formed a part-
nership with Cady S. Carpenter un-
der the firm name of Preston and
Carpenter. This partnership was
continued actively until Mr. Carpen-
ter's health failed. Mr. Preston there-

following Mr. Carpenter's death be-
coming sole owner.

Early in his local business career
Mr. Preston was elected town clerk.
He has been one of the finest officials
that any town in Connecticut could
claim. From year to year he has
been re-elected on the republican
ticket and his vote has always been
swayed by democratic friends who
felt that his administration was de-
serving of support from all parties.

Present indications are that he will
continue his splendid service to the
town in business Mr. Preston has
been successful in the generous dis-

Bosworth Bradley, 98, a Real

Jennie G. Eddy.

Fifteen members of Elizabeth Por-
ter Putnam chapter, D. A. R., jour-
neyed to Eastford Monday to visit
Sarah Bosworth Bradley, who on Sun-
day observed her 98th birthday, and
who is one of the 70 real daughters
of the American Revolution still liv-
ing in this country, two others of this
number being in Connecticut.

Mrs. Bradley is a daughter of Al-
len Bosworth who fought in the Rev-
olutionary war. He was one of the
early residents of Eastford and died
in that town in 1830, when Mrs. Brad-
ley was 12 years of age. A house
that he built there is now occupied by
Mrs. Bradley's nephew, Emerson
Lyons, who assisted the members of
the local chapter in decorating the
grave of the patriot by placing flags
and markers upon it Monday.

The local women presented Mrs.
Bradley with a very heavily laden
May basket as a remembrance of their
visit, the basket being decorated with
blue and white. It contained 50 gifts,
one to be opened each day. Mrs.
Bradley was also presented with a
bouquet of Lady Russell roses.

Those who made up the party from
this city were Miss Ellen Wheelock,
vice regent, Miss Mary Wheelock,
Mrs. Stiles Wheelock, Mrs. Helen Wil-
ley, Mrs. Mary Medbury, Miss Mary
Whitcomb, Emma Whipple, Mrs. George
Ross, Mrs. S. E. Reed, Mrs. John
Lewis, Mrs. Alice Carpenter, Miss

ford Opera house at Milford, Mass.,
formerly owned by the Royal Syn-
dicate of Worcester. This is the third
theatre which Mr. Smith has bought.

The house seats 1100 people and is
the largest in the city. Mr. Smith
has taken possession of the theatre
and is to be run chiefly as a pic-
ture house and with occasional ap-
pearances by stock companies and
other attractions of the higher class.
The house will be in charge of a re-
sident manager so as to give Mr. Smith
the necessary time to devote to his
other houses.

A PIPPIN OF A TEAM
Promised by Albert Forni, Who is to
Provide Putnam's Summer Baseball.

If Putnam thinks that this city isn't
going to have a real live, fast travel-
ing baseball team this season, it is
happily mistaken. Landlord (Albert

team, which he will send to the city
that will be equal to any in this section
of the state.

Those who were at work on the new
field, off Woodstock avenue, Monday,
and they will soon have it in shape for
use. Mr. Forni says that there will
be no more of the kind of baseball
which will be ample for the attend-
ance that will be turned out, judging
from the fact that has ever been done
here before.

Mr. Forni is not ready to announce
the makeup of his team, but he gives
positive assurance that it will be as
fast or faster than any team that has
ever worn a Putnam uniform, so it
should be no surprise if he has already
organized and in playing shape
during the present month, giving the
fans here a long season of their fa-
vorite pastime.

Fast teams are to be scheduled to
appear against Putnam, with Daniel-
son and Southbridge putting up
fine teams on the field and consid-
ering the friendly rivalry that exists
between the two teams, it is not sur-
prising that some real baseball excitement
this summer.
